"There's no limit to the good a man can do if he doesn't care who gets the credit."

—ANONYMOUS

Principal . . . JOHN D. FLATT

It is more important to learn to live than to make a living. Few people starve physically, but many of them starve spiritually and socially. They have not developed the skills and interests to enjoy the diverse cultures that are characteristic of the civilization of which they are a part. Therefore, make it a point to educate yourself broadly. Have many interests. Learn to appreciate and to understand different peoples and things, past and present. Then you will find life interesting and challenging.

Seated—Frank L. Stephan, Edgar H. Olmstead, Clyde Koontz, Glen E. Trail.

Arthur Kleinkopf—Director of Curriculum and Teaching Personnel

When people's minds are in a state of doubt and uncertainty; when they are subjected to conflicting theories and philosophies; when they are confronted with new and dangerous weapons of warfare which may either destroy civilization or bring untold blessings, then education is truly the symbol of hope for future existence and happiness. In it we place all our confidence for solving the personal, political, social and economic problems of all mankind. It must lead the way to a better and happier world.

—Arthur Kleinkopf

KENNETH E. KAIL

Vice Principal . . . Dean of Boys

There is no such thing as luck. It is just a fancy name for careful preparation and constant mental alertness to sense an opportunity when it arrives. My wish for each student of T.F.H.S. is that he may have the good judgment to take advantage of the many occasions provided for him to develop into the type of person whose progress and success in life does not require the constant alibi that his failure and another's success is simply due to luck or the lack of it.

—Kenneth E. Kail

ROSE MURRAY NORTH

Coordinator of English . . . Dean of Girls

The most amazing word in our language is the word "become." What you wish to be ten years from now you are at this time becoming. Formulate a philosophy of life. Start working according to the pattern which you set for yourself. Most of all, be thankful that you have the American way of living—laughing, working and looking up at the stars—a way which will help you "become" a worthy man or woman.

CLASSES—

CLASS of '50

The class of 1950 has a notable record of achievements. Our junior and senior plays, "Growing Pains" and "Lavender and Old Lace," received favorable acclaim by both adults and students. The seniors have been prominent in the Girls' League and the Boys' Club as well as other extra-curricular activities which help in the development of students.

As mid-century graduates, we shall join the lengthening and enviable list of Twin Falls High School alumni. May we prove to be worthy of that association!

CLASS of '51

As our Junior year is ending, we realize that we are becoming adults and must meet life squarely. We must conquer our obstacles and turn them into opportunities. Tomorrow will bring new problems; we will build strong foundations, trample discouragements under our feet, and strive for success by facing the world honestly and bravely. Any good that we can do we should begin now as we realize that we are really citizens and must work.

We regret the loss of our senior classmates, who have been our daily companions, but we wish them well as they go on their different ways. We hope to support our underclassmen in any way we can.

The class play, "Double Door," the class assembly, and other dramatic presentations were good examples of superior talent in our Junior Class. Another highlight in our year's activities was the Junior Prom. Our class of '51 can be proud of its opportunities and accomplishments.

ACTIVITIES—

GIRLS' LEAGUE

How fortunate we are to live in Twin Falls, Idaho, and to have the opportunity of belonging to the Girls' League. In many large cities throughout the country, high school girls are organized, for work and play, into Girls' Leagues. We are part of this pattern.

Our slogan is "All for one and one for all." Four hundred girls work together to develop a program of activities which will be instrumental toward each girl's maturity. Our program includes service to others, social life, and academic training.

Outstanding services this year included Christmas boxes for the Junior Red Cross and a German good will project, which provided useful items for German school children.

Our academic meetings set high standards and goals for accomplishment. The senior division devoted its meetings to occupational interests, striving to help the girls to early adjustment in college or as adults in society. The junior unit stressed personal appearance, poise and self-confidence. The sophomores planned orientation programs for a well-rounded high school life.

Social life is really interesting for the girls of Twin Falls High. In the fall an annual event was the big rally, which helped all girls to become better acquainted. Our theme this year was "On the Beach at Waikiki." Later "The Oregon Trail Mixer" was held. The "Sadie Hawkins Dance," given in traditional style, provided merriment for everyone. Our Valentine Ball, one of the most beautiful of all dances, will long be remembered.

The Memory Arch after the senior breakfast climaxed the year's activities. Down the front steps of Twin Falls High and through the blossom-covered arch made by the junior unit, the senior girls in class day dress pass slowly, sometimes tearfully, in a fitting finale to their League experiences.

The Future Teachers of America Club was organized in Twin Falls High School on November 28, 1949. The club was named the Anna H. Hayes Club in honor of Mrs. Hayes of Twin Falls, national president of the Congress of Parents and Teachers.

The purpose of the club is to enable those students who are interested in becoming teachers, to study the profession, to know more about the qualities needed in teachers and to analyze themselves to determine whether they possess those needed qualities.

The Club meets on the first and third Thursdays of each month, during the lunch hour, with occasional evening meetings for special purposes.

There are F. T. A. clubs in high schools all over the United States. They are sponsored by the National Education Association.

Boys' Club

Officers:

President ..... Duane Serpa
Vice President ..... Clyde Murphy
Secretary-Treasurer ..... Bill DeWald
Advisor ..... Mr. Kenneth E. Kail

Boys' Club is one of the most democratic organizations in our school. Every boy, regardless of his social, athletic, religious, scholastic, or financial standing, automatically becomes a member.

There were two highlights in the boys' program this year. The first was the Holly Ball at Christmas time. Lovely Shirley Smith was chosen queen and reigned over one of the most successful dances of the year. The second highlight was the All-Boy Talent Show, presented before a joint meeting of all classes. This program included boys from all three units.

This year, under the able leadership of Duane Serpa and the guidance of Mr. Kail, Boys' Club started a new system for utilizing club talent in programs. This is a step in the right direction, which requires the cooperation of all members. We sincerely hope that next year the same idea will be used and will prove even more successful.

FUTURE FARMERS of AMERICA

Left to Right—Darrell Schnitker, treasurer; Bob Flynn, secretary; Clyde Murphy, vice-president; Harold Mink, president; Ralph W. Edwards, sponsor; Jim Carney, reporter; Dick Boyd, sentinel; Kay Larson, reporter.

Success of the Twin Falls Future Farmers of America chapter may be credited to the cooperation of every member. Lack of space will not permit individual recognition; however the officers and the sponsor wish to commend the fine work done by the boys.

Advancement in the organization is gained by degrees. A local chapter may give the Green Hand degree to freshmen and the Chapter Farmer degree to sophomores. The next in succession is the State Farmer degree which is given by the state organization. The highest rank, the American Farmer degree, is conferred only by the National organization which includes the forty-eight states, Hawaii, and Puerto Rico.

For the boy who expects to become a farmer the F.F.A. is of major importance.

FUTURE HOMEMAKERS of AMERICA

Officers and Cabinet Members:

Left to Right—Delita Grout, Irma Jean Cowham, Phyllis Mack, Colleen O'Harrow, Terry Hinkley, Barbara Wilson, Marlene Van Houten, Mrs. Cecil Smith.

Under the direction of Mrs. Cecil O. Smith, the F. H. A. have had a profitable year with activity in local and state functions.

The District Convention, held in Twin Falls, was well attended. Members of our chapter who were elected district officers are Irma Jean Cowham and Barbara Wilson. Delegates from Twin Falls went to the State Convention in Boise.

Delita Grout, able president of our chapter and of the District, was chosen as a representative to the Regional Convention in Santa Barbara, California, last summer.

The annual Harvest Ball, under the sponsorship of the F. H. A. and the F. F. A., was a leading social event of the school year.

FOURTH ESTATE CHAPTER OF QUILL AND SCROLL

The purpose of Quill and Scroll is to instill the ideal of scholarship to students, to advance journalism standards, and to develop better journalists. The society has support from leading American journalists and educators.

At the close of the 1948-49 school term the five officers were chosen. New members initiated this year numbered seven.

Membership requirements state that students must be (1) at least of junior standing; (2) be in the upper third of their class in general scholastic standing for the current year; (3) hold a responsible position on the staff; (4) be approved by the advisor; (5) receive approval of the national executive secretary.

This year the group project was the publishing of a literary magazine. The Quill and Scroll magazine editorial staff is as follows:

—— ~ ——

Editor-in-Chief ..... Richard Ensley

Make-up Editor ..... Bertine Langdon

Art Editor ..... Kathryn Ehlers

Coyote Staff

In compiling the 1950 *Coyote* we, of the Staff, wish to express our thanks and appreciation to Mr. Reid, the students, faculty, and business men for their wonderful help and cooperation. We have spent many happy hours and have gained much useful experience, in the collecting of this pageant of activities and events. We hope that this book will recall many happy experiences in Twin High.

Thespians

First row—Beverly Alger, Bette Cronenberger, Zandra Thomas, Norma Peterson, Sarah Jordan, Marian Pettygrove, Carol Neilson, Mary Winterholer.

Second row—Chad Hull, Bill Munger, Bud Yadon, Phyllis Payne, Gary Christopherson, Richard Day, Lorraine Deagle, Larry Daigh, Nancy Mae Gore, Laurelie Chaney, Betty Lou Dunn, Helen Tucker, Fran Averett, Dianne Weaver, Betty Bonar.

The members of Thespian Troupe 256 have demonstrated their superb dramatic ability in the presentation of the plays, *Tish*, *Double Door*, and *Lavender and Old Lace*.

Included in their activities of the school year 1949-1950 were several work shops, initiations and a Chinese banquet.

Miss Pauline Simon, sponsor, has stimulated good work by ever reminding us of the Thespian motto, "Act well your part, and here the glory lies."

Officers:

President—Sarah Jordan
Vice President—Fran Averett
Secretary—Zandra Thomas
Treasurer—Gary Christopherson
Sponsor—Miss Paline Simon

SPORTS—

Bruin Club

The Bruin Club is one of the most important organizations in the school program. Although the club membership is confined to the fellows who have earned a varsity letter in a major sport, those boys are responsible, to a great degree, for the opinion that other schools form of our school as a whole.

These boys are achieving goals for which the athletic program was initiated – quick, clear thinking, physical and mental health, good relationships with others, the ability to follow directions, and the desire to work hard for a purpose. These qualities help the members of the Bruin Club to become leaders in school, and in the community after graduation.

The Pep Club takes pride in promoting sportsmanship and friendliness in inter-school athletic contests. It acts as official school host to visiting teams, cheer leaders, and the public in general. As a secondary purpose, the members of the Pep Club keep the fans supplied with soft drinks, candy, gum, and pop corn. This year the club not only supported our teams at home, but also made several trips to out of town games. The nucleus of the club is the active combination of cheer leaders: Darlene Wavra, Anita Turner, Verne Barnard, Bob Crowley, and Sally Warberg.

Ski Club

The High School Ski Club officially opened the season by electing Conrad Larson, president; Dick Roberts, vice president; and Joanne Stafford, secretary.

Since there was insufficient snow for skiing at Magic Mountain until the latter part of December, skiers had a short season in which to gain skill at the sport. Beginning the last week of December and continuing until the third week in February, ski buses were taken to Magic Mountain from the high school each Saturday.

Several of the high school boys entered the White Stag Ski Meet, February 18, and the High School Meet, February 25.

Each year, weather permitting, the Ski Club becomes a stronger organization that brings one of America's finest and fastest-growing sports within the reach of the students of Twin Falls High School.
